Dear Sir/Madam

APPOINTMENT AS TECHNICAL CONSULTANT

Diversified minerals developer and producer India Resources Limited (ASX: IRL) is pleased to advise that it has been engaged by Luminus Systems Limited (Luminus) (ASX: LSL) as a technical consultant to carry out a technical review on behalf of Luminus of its gold and phosphate assets.

IRL will conduct a preliminary review of data from the Mt. Hade/Zelma Gold mine and will also be conducting a data review of Luminus' Georgina – Mt. Inlier Basin phosphate tenements. Given the size of the phosphate tenements it is expected that IRL will complete the review and provide its findings to Luminus in the next quarter.

Yours faithfully

Arvind Misra
Managing Director
