Dear Sir/Madam

## **APPOINTMENT OF RAVI SHASTRI AS STRATEGIC ADVISOR TO THE IRL BOARD**

Diversified minerals developer and producer India Resources Limited (ASX: IRL) is pleased to announce that Mr Ravi Shastri has been appointed as Strategic Advisor to the Board of Directors of the Company.

Ravi is an Indian national and played for the Indian cricket team for over 12 years during the nineteen eighties and nineties. Ravi is an established international television broadcaster and sits on the governing council of the Indian Premier League.

Ravi's role will include providing guidance to the Board in respect of the Company's business operations in India and to assist in representing the Company in business negotiations and government relations.

The Chairman of India Resources, Andrew Simpson, welcomed the appointment and said that "Ravi will provide great assistance in gaining access to various corporate business houses engaged in the resources sector and Government of India agencies".

Yours faithfully

**Arvind Misra**  
Managing Director

## **About Ravi Shastri**

Ravishankar ("Ravi") Jayadritha Shastri (born 27 May 1962 in Mumbai, India) is a former Indian cricketer. He was an all-rounder who batted right-handed and bowled left arm spin. His international career started when he was 18 years old and lasted 12 years. He started his career purely as a bowler but gradually became more of a batsman who could bowl.

---

### **Corporate and Business Activities Post-retirement**

His long standing commitment, success and dedication to cricket and sport has allowed Ravi to coach the Indian cricket team, serve within the ICC and BCCI in official capacities and also act as a UNICEF Goodwill Ambassador. Ravi Shastri has been a Brand Ambassador of Audi in India and South Asia.

Ravi is a member of the Indian Premiere League Governing Council. He also is a director of a privately held real estate company from Mumbai and carries considerable influence in the Indian financial community.
